Qn14. Think of this ladder as representing where people stand in their communities.

People define community in different ways. Please define it in whatever way is most meaningful to you.

At the top of the ladder are the people who have the highest standing in their community. At the bottom are the people who have the lowest standing in their community.

Where would you place your family on this ladder?

Please place a large "X" on the rung where you think your family stand at this time in your life, relative to other people in your community.

Qn15. Think of this ladder as representing where people stand in Malaysia.

At the top of the ladder are the people who are the best off – those who have the most money, the most education and the most respected jobs. At the bottom are people who are the worst off – who have the least money, least education, and the least respected jobs or no job. The higher up you are on this ladder, the closer you are to the people at the very top; the lower you are, the closer you are to the people at the very bottom.

Where would you place your family on this ladder?

Please place a large "X" on the rung where you think your family stand at this time in your life, relative to other people in Malaysia.
